

Café Русский é 😊

Set 1 — starts at count 0

Static set

The image displays a 1D grid with a horizontal axis labeled from 10 to 50. The vertical axis is also labeled from 10 to 50. A point labeled 'OA' is marked at the intersection of 35 on both axes. A box labeled 'FLAG11' is positioned at the intersection of 45 on both axes. The grid is composed of 10x10 blocks, with the top-left block being the most prominent.

Set 2 — starts at count 16

Static set

The diagram shows a 1D lattice with 15 sites. The central site (index 4) is labeled 'FLAG11' and 'OA'. The sites are numbered 10, 20, 30, 40, 50, 40, 30, 20, 10 from left to right, indicating a symmetric distribution around the center.
